

Our House Rules

Dear guests,

in order to offer you an enjoyable stay and to avoid any misunderstandings, we ask you to get familiar with the house rules.

In general:

During the use of the air conditioning, the doors and windows should be kept closed.

It is not allowed to take the in-house towels to the beach.

Weapons and illegal narcotics or dangerous and inflammable objects are not permitted in the apartments.

No smoking in the apartments – therefor please use the balcony - ashtrays are available.

Unfortunately pets are not allowed in the apartments.

Nobody damages objects on purpose. Certainly/Surely, anybody can brake things accidentally. Please inform us about caused damages during your stay. The lodger is liable for any damage – as far as you, your fellow travellers or guests have caused the damage – or for other reasons which take you or them into responsibility.

Rest periods and visitors:

To keep on good terms with the neighbours and other guests, we ask you to notice our rest periods. The time between 11.00 p.m. and 7.00 a.m. is considered night's rest. Visitors are not permitted to stay overnight.

Guests are responsible for their behaviour in the house and the surroundings. In case of an accident they bear the consequences.

Arrival / Departure:

On the day of your arrival, the apartments will be available from 2.00 p.m.
On the day of departure, we ask you to leave the apartments by 10.00 a.m.

In the months of July and August the day of arrival is exclusively Saturdays (Exceptions can be made by prior arrangement).

When you leave, keep the kitchen in the same condition as it was when you arrived. The rest of the apartment is to be handed over in proper condition.

Many Thanks!

We wish you a pleasant stay, much fun, relaxation and recreation.

Your hosts,

Family Deanovic
